Dear [CJ],

Engagement letter: Cosmo Circle growth strategy and Phase 1 implementation

Thank you for reviewing the Cosmo Circle strategy. This letter sets out the terms on which I will license that strategy to GVS and lead the first phase of putting it into practice. If you agree, please sign where shown at the end and return a copy to me.

1. The parties

1.1 **Consultant:** Oladapo Olayinka, [trading as Business name, if any], of [address] ("I" or "the Consultant").

1.2 **Client:** [GVS Cosmetics Limited], RC [number], of [registered address] ("GVS" or "you").

2. Background

2.1 GVS distributes Cosmo Cosmetics in Nigeria under licence from the brand owner.

2.2 I have prepared and delivered to GVS: (a) the report "The Cosmo Circle: growth strategy for Cosmo in Nigeria"; (b) the accompanying 17-slide presentation; and (c) the month-one launch plan for 2 November to 5 December 2026 (together, the **Strategy Documents**).

3. What I will do

3.1 **Strategy (completed).** The Strategy Documents described in clause 2.2.

3.2 **Phase 1 implementation lead, 1 November 2026 to 31 January 2027.** I will:

- lead delivery of the month-one launch plan and Phase 1 of the strategy;
- set up and oversee the pack-code and WhatsApp verification system with the provider GVS chooses;
- recruit, brief and manage the micro creators, and apply the creator payment rules;
- support the hiring of the community lead and direct the lead's work day to day;
- design and run the Glow Sessions programme with the community lead;
- agree the creative direction with the Creative Director, Oneme Ahonaruogho, whom GVS engages separately;
- build the weekly dashboard and present it at a weekly review with GVS; and
- report on the Gate 1 targets (clause 5.3) by 7 February 2027.

3.3 **Time.** I will commit about [three] days a week to this work and attend the weekly review in person or online.

3.4 **Not included.** NAFDAC registration, legal advice, filing with ARCON, paid media spend, stock and logistics, and hiring decisions, which remain with GVS. I will prepare material for ARCON vetting for GVS or its adviser to submit. Any change to what I do will be agreed in writing.

4. What GVS will do

4.1 Provide the sales baseline (six months of revenue, orders, average order value, margins and repeat rate) by 6 November 2026, and the data needed to measure the targets in clause 5.3.

4.2 Fund the programme budget for Phase 1 (₦28.5 million, as set out in the strategy) and pay programme suppliers, including the Creative Director, directly.

4.3 Obtain any consents needed from the brand owner, including for pack stickers, promotions and customer data, and make sure products promoted are registered with NAFDAC.

4.4 Name one person to approve decisions, and respond to requests for approval within three working days.

5. Fees

5.1 **Strategy fee:** ₦4,000,000 for the Strategy Documents, payable within 7 days of signing this letter.

5.2 **Monthly retainer:** ₦1,750,000 a month for Phase 1 (November 2026, December 2026 and January 2027). I will invoice on the first working day of each month, payable by the 7th. The November invoice will be issued on signing.

5.3 **Success bonuses**, measured from GVS's sales records and the Cosmo Circle customer database and agreed at each review:

- **Gate 1 bonus, ₦2,000,000**, if by 31 January 2027 there are at least 3,000 verified members, at least 30% of sales carry a code, and the cost per new verified customer is ₦6,000 or less.
- **Gate 2 bonus, ₦3,000,000**, if by 30 April 2027 there are at least 10,000 verified members, at least 30% of members buy again within 90 days, and monthly revenue is at least 50% above the November 2026 baseline.
- **Year-end bonus, ₦5,000,000**, if by 31 October 2027 there are at least 25,000 verified members, at least 35% of members buy again within 90 days, and monthly revenue is at least double the November 2026 baseline.

5.4 If two of the three targets for a gate are met, half of that bonus is payable. The Gate 2 and year-end bonuses apply only while I am engaged for those phases under clause 6.2. Each bonus is payable within 14 days of the review that confirms it.

5.5 **Expenses.** GVS pays programme costs directly. I will not incur costs on GVS's behalf without written approval; approved costs I pay will be reimbursed against receipts within 14 days.

5.6 **Taxes.** Fees exclude VAT, which I will add where it applies. GVS may deduct withholding tax required by law and will give me the receipt or credit note for each deduction.

5.7 **Late payment.** If an invoice remains unpaid 14 days after its due date, I may pause work until it is paid, after giving written notice.

6. Term, renewal and ending the engagement

6.1 This engagement starts when both parties sign and covers Phase 1, from 1 November 2026 to 31 January 2027.

6.2 If GVS releases the Phase 2 budget after the Gate 1 review, the engagement continues for Phase 2 (February to April 2027) and Phase 3 (May to October 2027) on the same retainer, unless we agree different terms in writing.

6.3 Either party may end the engagement by giving 30 days' written notice. GVS will pay for work done up to the end date and for any bonus already earned.

7. Ownership of the strategy

7.1 I own the Strategy Documents until the strategy fee is paid in full. Until then, GVS may review them but may not use them to run the programme or share them outside GVS.

7.2 When the strategy fee is paid, ownership of the Strategy Documents passes to GVS. Material I create for GVS during the engagement, such as creator briefs and dashboards, belongs to GVS once the invoice covering it is paid.

7.3 I keep the right to use my general skills, methods and know-how, without using GVS's confidential information.

8. Confidentiality and customer data

8.1 Each of us will keep the other's confidential information private during the engagement and for two years after it ends, except where it is already public or disclosure is required by law.

8.2 GVS is the data controller for customer data collected through the Cosmo Circle. I will handle that data only on GVS's instructions and in line with the Nigeria Data Protection Act 2023.

9. Working relationship

9.1 I am an independent contractor, not an employee of GVS, and I am responsible for my own taxes except amounts GVS deducts under clause 5.6.

9.2 During the engagement I will not work for a direct competitor of Cosmo in Nigerian personal care without GVS's written agreement.

10. Results and liability

10.1 I will carry out the work with reasonable skill and care. Sales results depend on many factors outside my control, including pricing, stock, distribution and market conditions, so no particular result is guaranteed; the success bonuses reflect this.

10.2 Each party's total liability under this letter is limited to the fees paid in the three months before the claim, except for fraud or breach of confidentiality.

11. Disputes and governing law

11.1 This letter is governed by the laws of the Federal Republic of Nigeria.

11.2 We will first try to settle any dispute by discussion within 14 days. If that fails, either of us may refer it to mediation in Lagos, and then to arbitration in Lagos under the Arbitration and Mediation Act 2023.

12. Whole agreement

12.1 This letter, with the fee summary in the schedule, is the whole agreement between us about this work. Any change must be in writing and signed by both of us.

I look forward to working with you and the GVS team on the Cosmo Circle.

Yours sincerely,

Oladapo Olayinka
