Dear Oneme,

Engagement letter: Creative Director, Cosmo Circle

GVS is pleased to engage you as Creative Director for the Cosmo Circle, the growth programme for Cosmo Cosmetics in Nigeria. This letter sets out the terms. If you agree, please sign where shown at the end and return a copy.

1. The parties

1.1 **Client:** [GVS Cosmetics Limited], RC [number], of [registered address] ("GVS" or "we").

1.2 **Creative Director:** Oneme Ahonaruogho, [trading as Business name, if any], of [address] ("you").

2. Background

2.1 GVS distributes Cosmo Cosmetics in Nigeria under licence from the brand owner. From November 2026 GVS is running the Cosmo Circle programme, based on the strategy prepared by Oladapo Olayinka, who leads the programme as strategy lead.

2.2 GVS wants you to lead the programme's creative work.

3. What you will do

3.1 **Creative direction for the Cosmo Circle**, including:

- the Cosmo Circle look: visual identity, tone and programme guidelines, within the Cosmo brand rules;
- campaign concepts and photoshoots: art direction, casting approval and on-set direction;
- ads for social media, digital and print, including the creative GVS submits for ARCON vetting;
- the look, layout and materials for pop-ups, Glow Sessions and Cosmo Days;
- pack-code stickers and point-of-sale material; and
- creator briefs and content guidelines, and review of creator and member content for brand fit.

3.2 **Time.** The monthly fee covers up to 8 working days a month. Shoot or event days beyond that are paid at the day rate in clause 5.2, only when GVS approves them in writing in advance.

3.3 **Working together.** You report to [CJ's full name] for GVS, work day to day with Oladapo Olayinka and the community lead, and attend the weekly review when creative work is on the agenda.

3.4 **Not included.** Production costs (clause 6), media buying, NAFDAC and other regulatory filings, and product claims, which GVS approves.

4. What GVS will do

4.1 Approve concepts, budgets and final creative within three working days of receiving them.

4.2 Pay production suppliers directly against budgets approved in advance.

4.3 Provide product samples, the brand owner's guidelines, and NAFDAC numbers for every product featured.

4.4 Submit creative to ARCON and confirm that product claims are accurate before publication.

5. Fees

5.1 **Monthly fee:** ₦1,000,000 a month, invoiced on the first working day of each month and payable by the 7th. The first invoice covers [November 2026: confirm start date].

5.2 **Extra days:** ₦125,000 for each approved shoot or event day beyond the 8 days included, invoiced monthly with a short record of the days worked.

5.3 **Success bonuses**, your one-third share of the programme's bonus pool, measured from GVS's sales records and the Cosmo Circle customer database and agreed at each review:

- **Gate 1 bonus, ₦1,000,000**, if by 31 January 2027 there are at least 3,000 verified members, at least 30% of sales carry a code, and the cost per new verified customer is ₦6,000 or less.
- **Gate 2 bonus, ₦1,500,000**, if by 30 April 2027 there are at least 10,000 verified members, at least 30% of members buy again within 90 days, and monthly revenue is at least 50% above the November 2026 baseline.
- **Year-end bonus, ₦2,500,000**, if by 31 October 2027 there are at least 25,000 verified members, at least 35% of members buy again within 90 days, and monthly revenue is at least double the November 2026 baseline.

5.4 If two of the three targets for a gate are met, half of that bonus is payable. The Gate 2 and year-end bonuses apply only while you are engaged for those phases under clause 7.2. Each bonus is payable within 14 days of the review that confirms it.

5.5 **Taxes.** Fees exclude VAT, which you will add where it applies. GVS may deduct withholding tax required by law and will give you the receipt or credit note for each deduction.

5.6 **Late payment.** If an invoice remains unpaid 14 days after its due date, you may pause work until it is paid, after giving written notice.

6. Production costs and expenses

6.1 GVS pays photographers, studios, models, make-up artists, wardrobe, props, printing, venues and media directly, against budgets you propose and GVS approves before any money is committed.

6.2 You will not commit GVS to any cost without written approval. Approved costs you pay yourself will be reimbursed against receipts within 14 days.

7. Term, renewal and ending the engagement

7.1 This engagement starts on [1 November 2026] and covers Phase 1 of the programme, to 31 January 2027.

7.2 If GVS releases the Phase 2 budget after the Gate 1 review, the engagement continues for Phase 2 (February to April 2027) and Phase 3 (May to October 2027) on the same terms, unless we agree different terms in writing.

7.3 Either party may end the engagement by giving 30 days' written notice. GVS will pay for work done up to the end date, including approved extra days, and for any bonus already earned.

8. Ownership, usage and credit

8.1 Creative work you produce for GVS under this letter, including concepts, designs, photographs, videos and layouts, belongs to GVS once the invoice covering it is paid.

8.2 GVS will pay for the rights to use images of models and other people featured. You will make sure their signed release forms are collected on set.

8.3 You may show work in your portfolio once it has been publicly released, and you will be credited as Creative Director wherever GVS publishes credits.

8.4 Your pre-existing materials, tools and know-how remain yours.

9. Confidentiality and personal data

9.1 You will keep GVS's confidential information private during the engagement and for two years after it ends, except where it is already public or disclosure is required by law.

9.2 You will handle personal data of customers, members and people featured in content only on GVS's instructions and in line with the Nigeria Data Protection Act 2023, and make sure written consent is obtained before any member is featured.

10. Working relationship

10.1 You are an independent contractor, not an employee of GVS, and you are responsible for your own taxes except amounts GVS deducts under clause 5.5.

10.2 During the engagement you will not work for a direct competitor of Cosmo in Nigerian personal care without GVS's written agreement.

11. Results and liability

11.1 You will carry out the work with reasonable skill and care. Sales results depend on many factors outside your control, so no particular result is guaranteed; the success bonuses reflect this.

11.2 Each party's total liability under this letter is limited to the fees paid in the three months before the claim, except for fraud or breach of confidentiality.

12. Disputes and governing law

12.1 This letter is governed by the laws of the Federal Republic of Nigeria.

12.2 We will first try to settle any dispute by discussion within 14 days. If that fails, either of us may refer it to mediation in Lagos, and then to arbitration in Lagos under the Arbitration and Mediation Act 2023.

13. Whole agreement

13.1 This letter, with the fee summary in the schedule, is the whole agreement between us about this work. Any change must be in writing and signed by both of us.

We look forward to working with you on the Cosmo Circle.

Yours sincerely,
